1983 HELLO

TAYLOR HIGH SCHOOL

KOKOMO, INDIANA

VOLUME 17

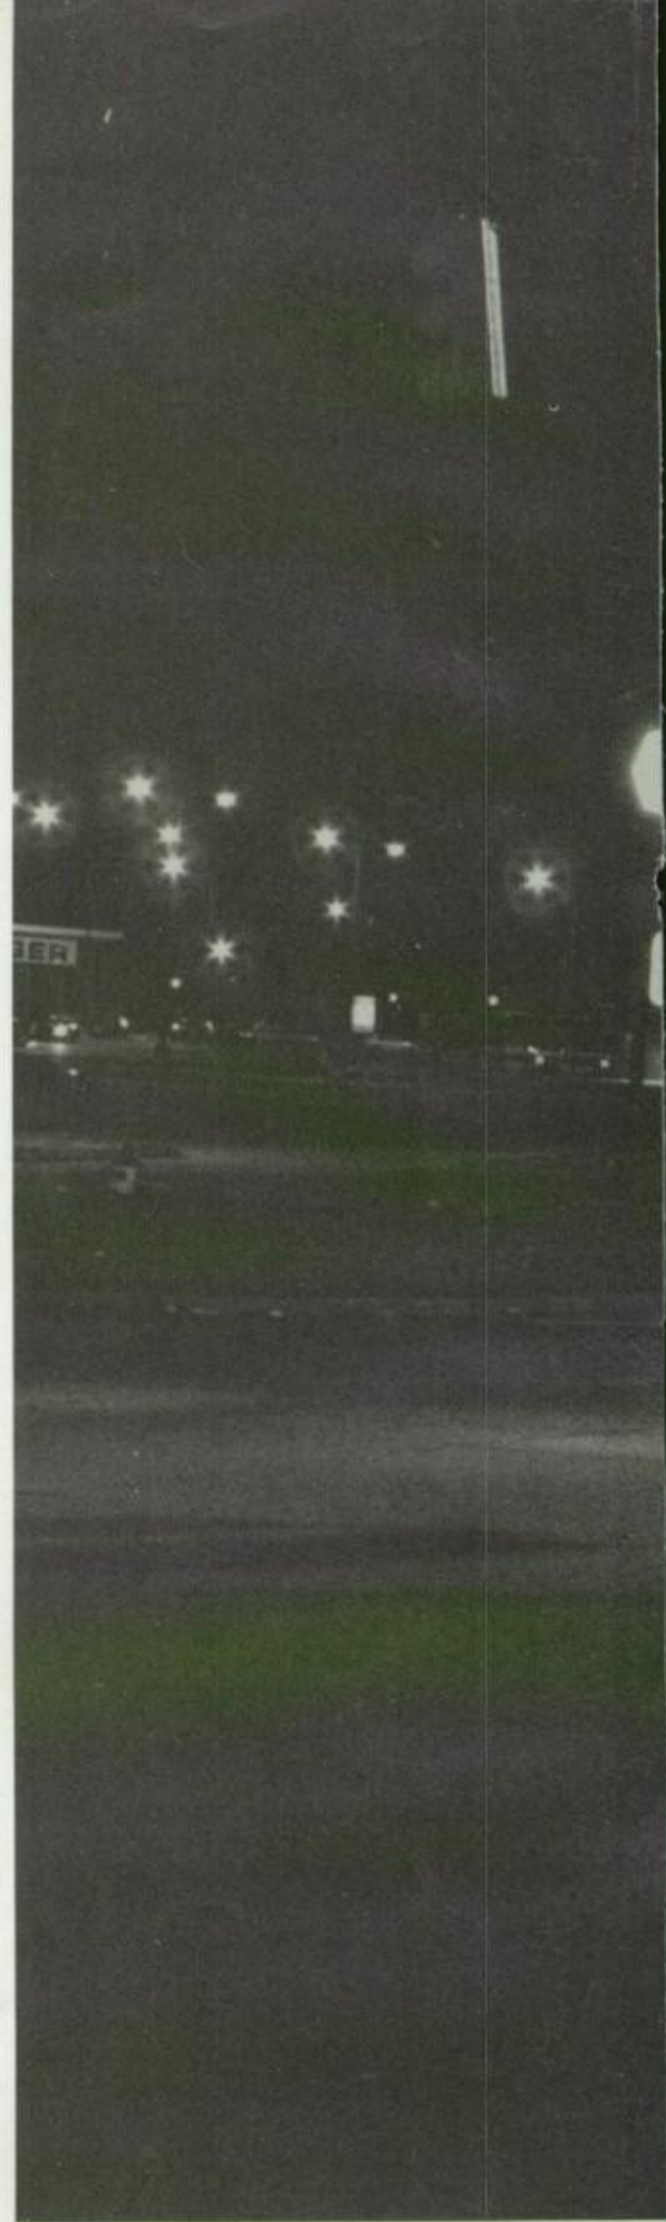

"These are the best of times; these are the worst of times." These famous words from Charles Dickens' A TALE OF TWO CITIES probably accurately described the life of a Taylor High School student. A bottoming out economy, a tight job market, and

increased pressure for the acquisition of educational skills made a carefree student life in 1983 less than the "best years of our lives," but we still managed to LET THE GOOD TIMES ROLL!

STUDENT LIFE

Thank God It's Friday!

and ACTIVITIES

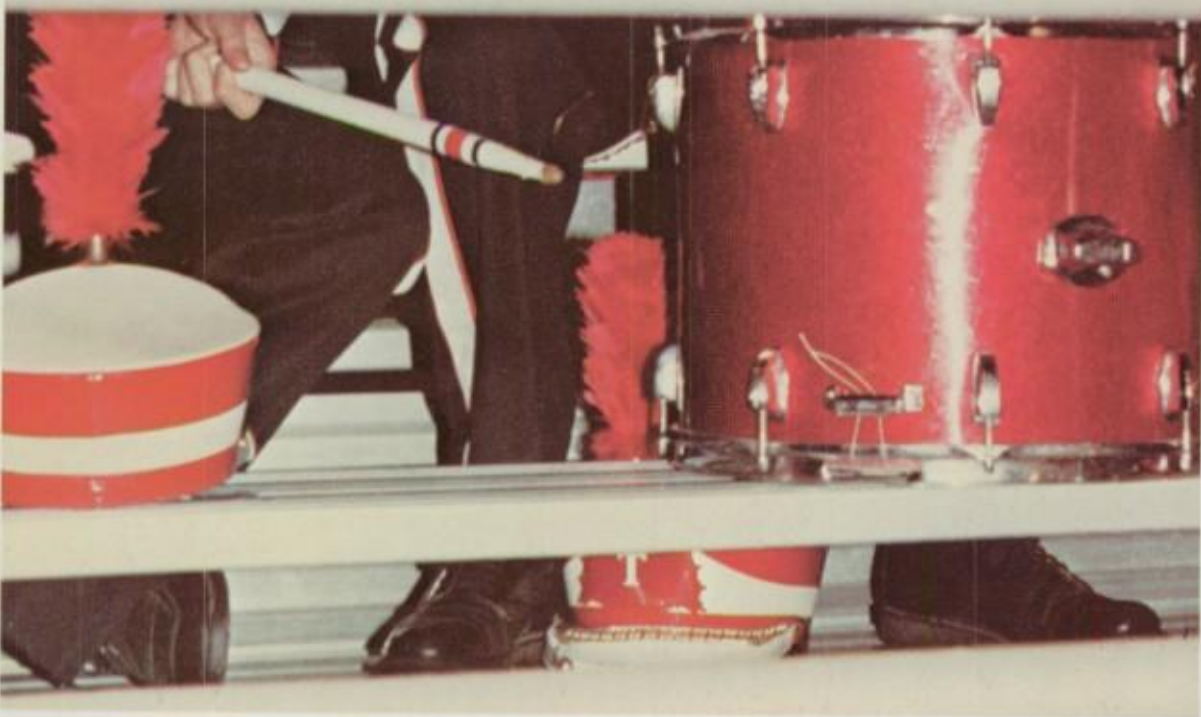

PLAY THE GAME TONIGHT!

a

b

Taylor High School was a story-book sight on that Indian summer Homecoming night. Fireworks, balmy temperatures, and excitement filled the air. The Titans tried valiantly to overcome the attack of the state-ranked Maconaquah Braves, but the score wasn't there, though the spirit was.

The Homecoming court, chauffeured around the field in gleaming Corvettes, appeared under the mist of exploding fireworks. Senior Cheryl Harmon was crowned queen. Her court included seniors Jenny Gotshall and Rae Miller. Junior, Shelly Welke; sophomore, Lori Ingals, and freshman, Terri Martin represented their classes.

For the many who chose to extend the magic of the evening, a homecoming dance was provided by the student council.

SENIORS SOPHOMORES WERE VICTORIOUS

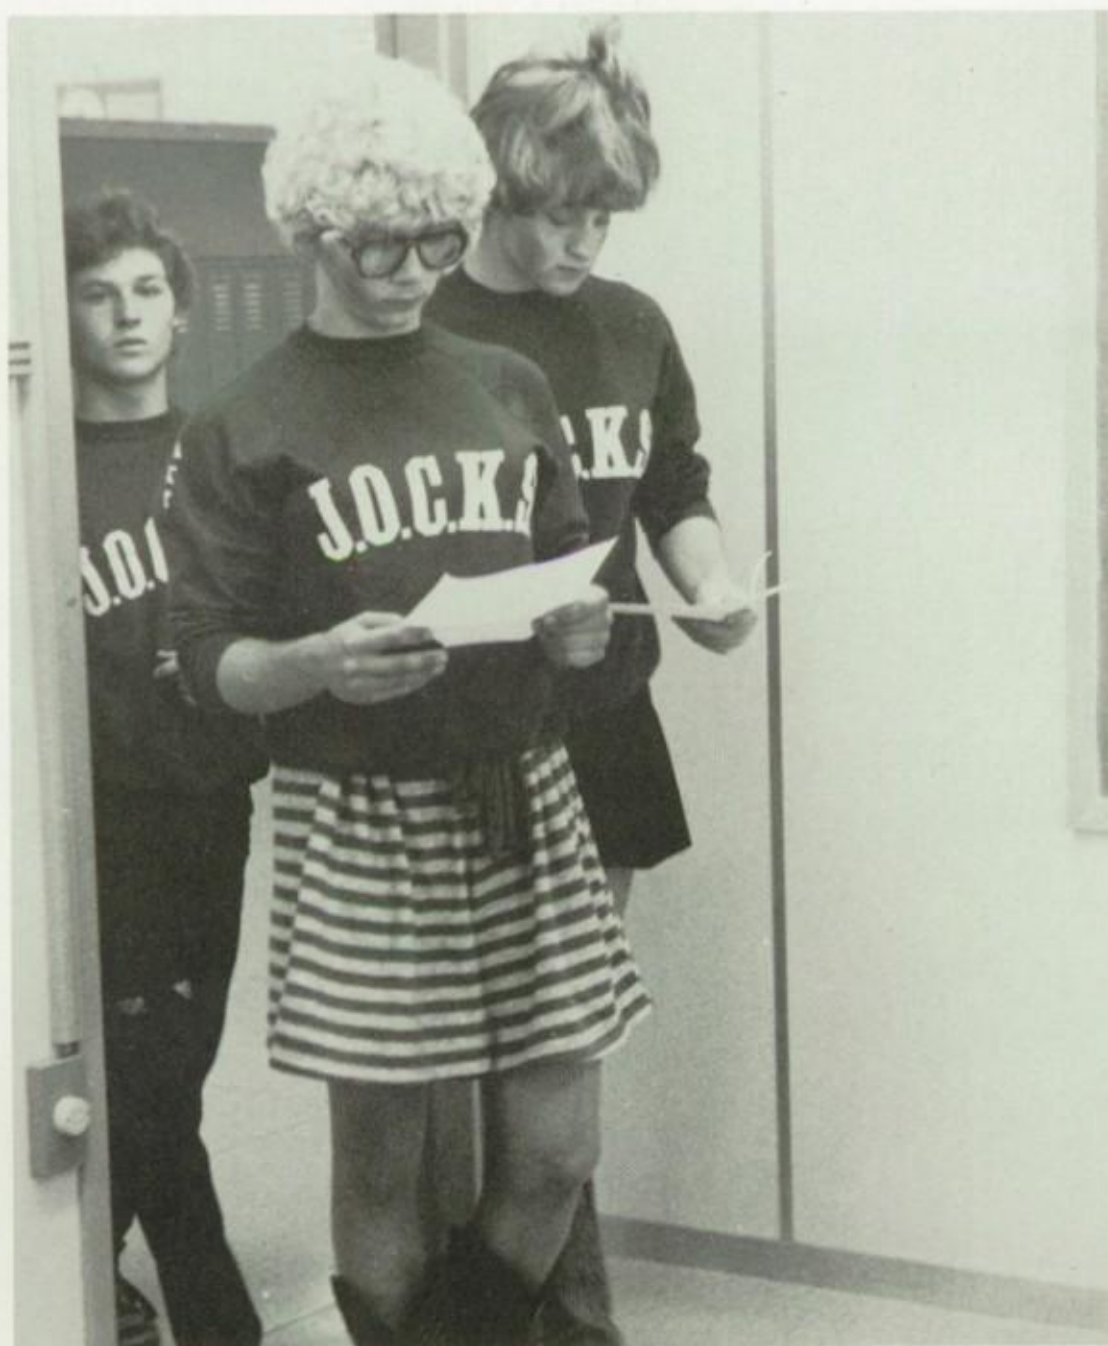

A warm Thursday evening in early October found many THS students engaged in the annual Powderpuff struggle. It carried on the usual tradition with the sophomore class facing the freshmen, and the seniors and juniors playing in the final game.

The sophomore "Little Kingettes" coached by Mr. Harshman and Mrs. Inman won the first game, rolling over "Frosh Fire" 22 to 0. The sopho-

more class extended their record to 2-0, hoping to be the first team to win all four games.

The Senior Sting coached by Mr. Edmonds and Mrs. Henderson defeated the Junior J. o. c. k. s. in the last game 20-0. The seniors ended their final year with a 2-2 record.

Between games, junior Brett Goudy was crowned Powderpuff King.

SPIRIT WEEK!

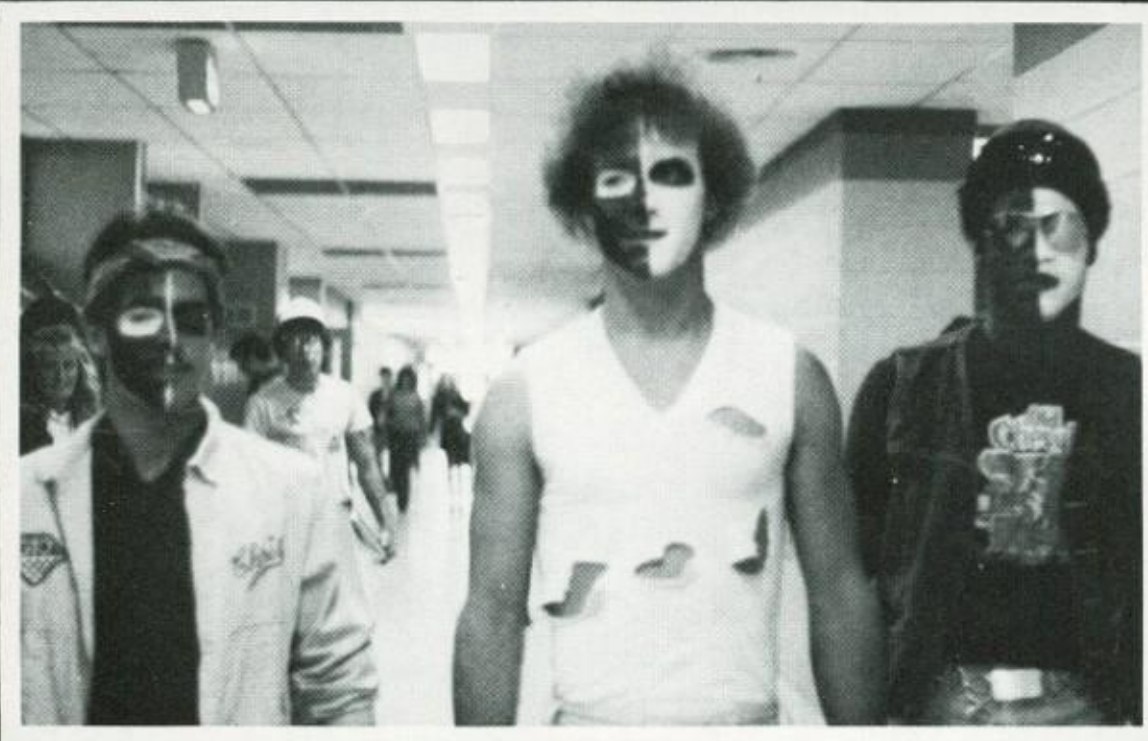

Psyching up!

Students showed heartening enthusiasm during spirit week. They participated by dressing up like punk rockers, wearing their clothes inside-out, even coming to school in sweats for "No sweat day".

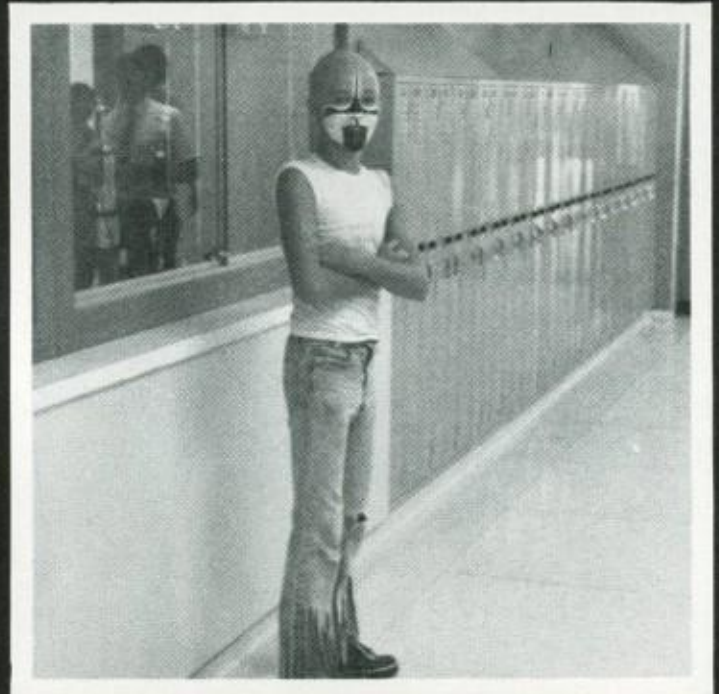

Showing much time, effort, and imagination, the halls were decorated according to the theme, "Play the game tonight" with brightly colored video game characters and a casino atmosphere. First place went to the senior class for its color and careful attention to detail.

Sadie Hawkins Dance

The annual Sadie Hawkins dance, sponsored by the senior class, was held in late November. Senior Yolanda Johnson, escorted by Tony Oliver, was crowned Miss Titan. Among her court were Sherri Stonebraker, Jenny Gotshall, Karen Horne, and Teresa Richey.

Early in the evening, a square dance caller taught a few basic maneuvers to the adventuresome after which Yolanda was crowned. A more standard brand of pop music was played by a D.J. as the evening progressed.

TIME OFF IN TENNESSEE!

How would you like to take a few months off from Taylor to work at the World's Fair? Well, that's what senior Holly Martin did this past year. She left school in the middle of April and worked at the World's Fair in Knoxville, Tennessee, until October 31. Holly's dad helped in the construction of some of the buildings for the fair and got her an interview which led to the job with the Union Carbide exhibit. The exhibit was "See how

they run." It was to show people over 150 new and familiar toys and how they worked. The toys were from both domestic and foreign manufacturers and people could actually play with all of the toys.

On opening day Holly said she had the pleasure of having a front row seat at President Reagan's speech. She also noted that, "He looked really old."

Coming in contact with all those people from different states as well as countries, has made Holly sort of an expert on accents, "Working at the World's Fair helped me pick up on accents. Just by listening to a person speak, I can tell where he's from." She added, "Oh, I can also come pretty close to guessing their age, too."

For entertainment, Holly said, "My favorite place was the "Stro-

haus, a german beer-drinking hall where, according to Holly, kids were "just a swanging" from the chandelier and danced on table tops. "Another place was the Australian pavilion, because of all the great-looking guys."

Working at the World's Fair was not all fun and games though; she enrolled at Beardon High School, the largest high school in Knoxville. While she was in Tennessee, Holly performed with the Bijiou Theater of Knoxville. She worked with a troop of four, miming and clowning for art fests, carnivals, and school functions.

Holly said, "It was a great experience," but she was glad to be home, so she could be with her REAL friends her senior year.

"SWEET DREAMS"

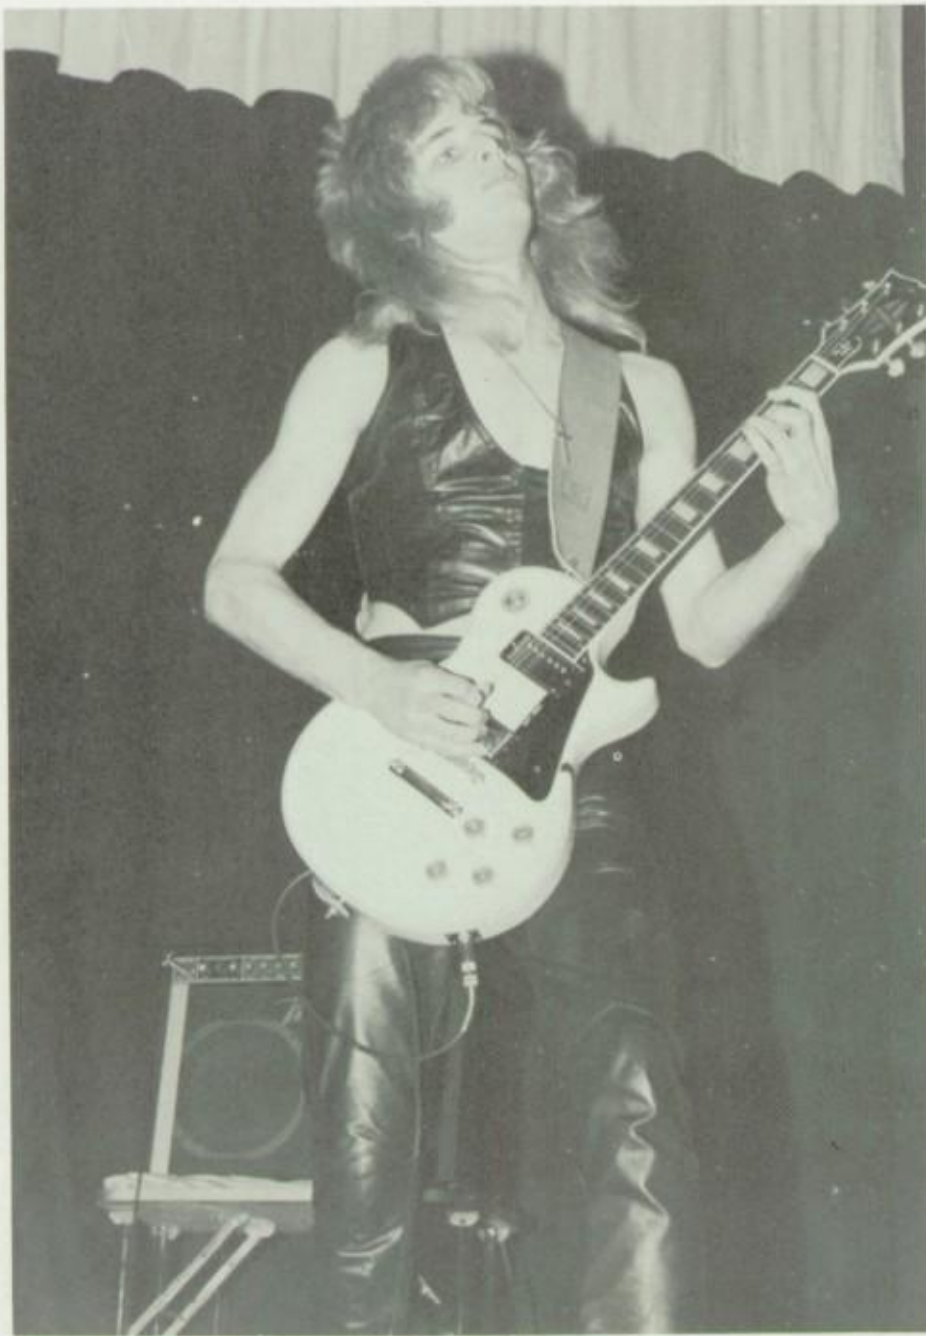

*This is the time when you need a friend.
You just need someone near. I'm not
looking forward to the night I'll spend.
Thinking of you when you're not here.
How many times will I think about the
things I'd like to do. Always denied
the right to live my life the way I
want. I want to share it with you.
Close your eyes I want to ride the skies
in my sweet dreams. Close your eyes I
want to see you tonight in my sweet
dreams. I'll think of your kiss as the
days roll by and I'll write the words
you love. And what I can't say in a
letter, will just have to wait till I
get home. There's not much time to
tell you half the things I should, only
that I'm so glad I fell in love with
you and I'd do it again if I could.
Sleep like a child resting deep. You
don't know what you give me I keep for
these moments alone.*

THE 1983 JUNIOR-SENIOR PROM was held in the Officer's Club at Grissom Air Force Base on a mild, if windy, April 23. With clouds and stars hanging from the ceiling, the theme "Sweet Dreams" fit the scene perfectly. The couples slow danced to the sounds of Mirage. During the band's intermission, the senior wills, junior prophecies and the prom court were announced. Jenny Gotshall and P.T. Chaffee were crowned king and queen. Their court included the following: Sherri Stonebraker, Chris Francis, Kim Murray, Holly Martin, Rae Miller, Scott Goudy, John Rocchio, Greg Kuhlman, Bob Ritchie, Dwayne Dunlap. (pictured above)

SHOWS!

^g
"SHOWTYME" WAS THE THEME for the 1983 Spring Follies, which turned out to be a great success. There were twelve acts; among some of these were a rock and roll band, a Spanish dance, and a barber-shop quartet. The masters of ceremony, Greg Kuhlman and Rodney Boyd, had the crowd rolling in their seats. This event was admirably organized by the Student Council.

Graduation Isn't the

The school year draws to a close. Another class graduates on schedule. This is a routine that has been taking place since 1969 at Taylor High School. The teachers who have shared their knowledge and hopes with the students are appreciated. The graduating class passes through the doors with members realizing they will never have to take another class at Taylor High School. Some students have jobs as soon as they graduate. Others will seek further training or education with the expectation of securing a better job.

How does this class, the Class of 1983, differ from all the others? It is unique in that the majority of students took some more difficult classes. Average and below average students who would not normally take difficult classes attempted them. As a result, many students gained a great-

er knowledge of more areas of learning. Members of the Class of 1983 should have that extra edge they need to succeed. The graduates are only beginning to realize that graduation is not the end . . . it is the beginning. Hopefully, it is the beginning of a very wonderful future.

The Senior Convo That Almost Wasn't

Most Seniors were not interested in keeping with the traditional Senior Convocation at the end of Senior Week. After threats came to not have a convocation at all, a few students decided to act fast. The show consisted of singing, piano, magic and the results of the Senior Survey.

The convocation is an important part of Senior Week. With the whole student body watching, it gives the underclassmen something to look forward to.

Senior Survey results are read by Karen Horne and Angie Buckner.

Cheryl Harmon and Eric Glassburn sing their last duet together. Both Seniors are four year members of the choir and participate in swing choir.

Rodney Boyd, Taylor's finest magician, dazzles the crowd with the help of Teresa Richey.

What happened, Rodney and Greg? Did you get swamped with school work?

Graduation 1983

Lori Wagner — Valedictorian

On Sunday evening, May 22, one hundred and eighty-one seniors were busy preparing for the commencement exercises. Putting on robes, pinning hats and fixing flowers were among the chores that needed to be done before the ceremony.

Valedictorian, Lori Wagner, and Salutatorian, Tim Laflin, led the class academically. Allison Forbes was chosen to be the class speaker. After the speeches, Susan Givens called each name for the presentation of diplomas. Afterward, graduates were met by family and friends to celebrate their special day.

TITAN TIDE TURNS

1982-83 WAS THE YEAR OF THE TITAN in sports. It was easy to be a sports fan at Taylor, and our ears rang with the sounds of excitement and victory. With winning seasons, sectional champions, regional champions, and our Lady Titans' trip to the semi-state (the first ever in Howard County), the tide has turned into a surge of spirit and pride in our athletes.

It was fun to be a Titan fan this year, and our athletes and coaches gave us this (even a day off) with their dedication, physical condition, and self-discipline. Hours of after school practices, long bus rides, diets, loud (if constructive) or quiet criticism, bruises, and sore muscles, and disappointment were faced alone while the best moments of triumph were shared with us. There is much more to being an athlete than winning, but Taylor's athletes got it together this year, and our best was truly great!

*"An outstanding
season,"
According to Coach
Grossman*

BEING HOWARD COUNTY CHAMPS, finishing second in the MIC, having a record of 13-2, and qualifying as a team for IHSAA regional, made a highly successful season for the Titan cross-country team.

Mike Harmon, injured as a sophomore, came back and was named the MVP award winner and was sectional champion. Mental attitude award winner, Scott Anderson, was the only one to qualify for Semi-State three years in a row. The Most Improved award went to Derrick Hansen. Dan Hansen, last year's sectional-regional champion suffered a back injury preventing him from defending his titles.

According to coach Grossman; "The team showed improvement throughout the season. They defeated Eastbrook who had earlier in the season beat the Titan runners.

The team honored Taylor through their sportsmanship — win or lose."

Varsity Netters Carry ON Success

BOYS TENNIS AT TAYLOR HIGH SCHOOL has always been outstanding and this year's team was no exception with the Titans continuing their domination of area tennis. There had been doubt about how well the Titans could survive the loss of five seniors, two of whom were the heart of the team. But with the leadership of three outstanding seniors, the Titans rolled to 15-6, second only to last year's sectional champion team.

P.T. Chaffee, mental attitude award winner, and Greg Kuhlman, both seniors, provided the leadership for the two doubles teams. In the singles department senior MVP Dave Cassis led the Titans at number one singles. He compiled a record of 54-17 just one victory short of the school record. Sophomore sensation Dave Lasbury held down the number two singles spot, and piled up a 15-6 record. Chaffee finished with a super 17-4 and Kuhlman posted a hot 18-3 record, while junior Larry Wiechman had the best overall record with a 19-2 mark.

The only flaw in the Titans otherwise perfect season was a heartbreaker 3-2 decision loss handed to the Titans by a tough Frankfort team in the sectional finals. Both doubles teams trounced their opponents. The decisive match was #1 singles where Cassis rallied to win the second set but ran out of gas dropping the third and decisive set 6-3. The Helio staff would like to congratulate coach Wise and the team and wish them success in the future.

Varsity Football

Young Griders Gain Necessary Experience

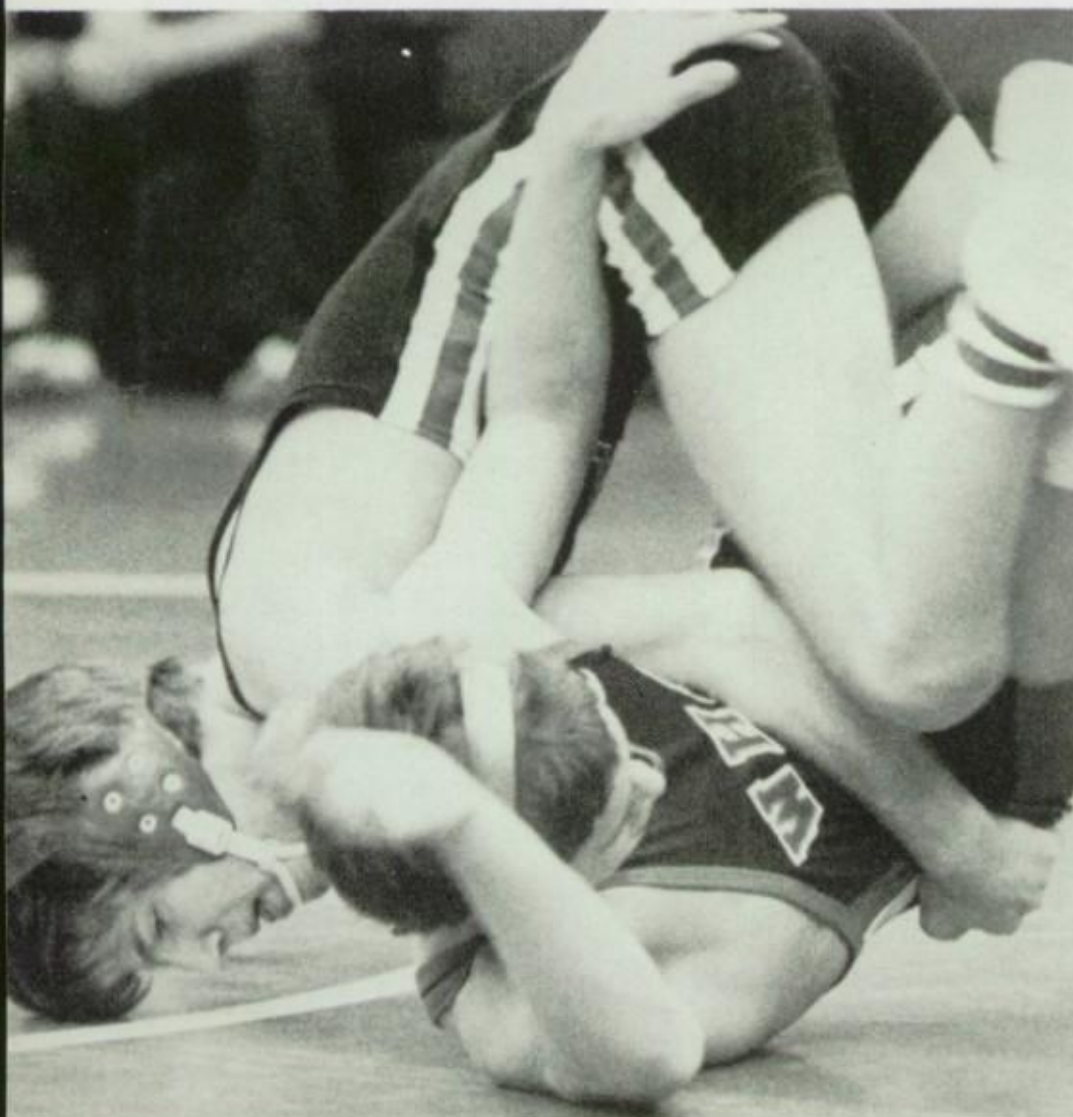

EXPERIENCE AND NUMBERS usually play a major role in the success of a football team at the high school level. This year's team had numbers but only a handful had varsity experience. Having only 6 seniors, 4 of whom were full time starters, left a lot of vacancies to be filled by inexperienced underclassmen in key positions. As the weeks passed, improvements were noticeable, and the team finally dented the win column against MIC foe Lewis Cass.

The young Titans finished with a disappointing 1-9 record getting beat by state powers Western, Maconaquah, Peru, and Madison Grant. But these Titans didn't go without any recognition as Jim Silver, and Bob Shaw were named to first team all-county and Shaw, Brad Tucker, Bob Ritchie were named to MIC first team. According to coach Ken Freeman, there was an outstanding turnout of players (73). With the great turnout of players in the freshman to junior class, the 1982 season might well be called the rebirth of football spirit at Taylor. The Titan fans can look forward to an exciting and positive year to come.

turing two of the thirteen
championships for the third
year in a row. With a season
record of 10-4, they finished
second in the MIC meet and
came in a heart-breaking sec-

the sectional.

Juniors Bart Tabor, Todd
Kennedy, and Glen Rhoades as
well as freshman Kris Karns
qualified for the Semi-State
losing their bids to become the
third Titan wrestler to make
the state finals.

Taber finished the season
28-1, took M.V.P. honors, won
the total points award, and tied
Kennedy in pins. Bart won the
Manchester Invt., Western
Invt., MIC, Sectional, and Re-
gional titles. Todd captured
both Invitationals, Sectional,
and Regional crowns avenging
his earlier season loss in the
Regional final by pinning Ma-
conaquah's Frank Moore.
Todd finished 26-2. Glenn
Rhoades finished at a remark-
able 21-6 taking first in the
Sectional and runner-up in the
Regional. Freshman Kris
Karns took the 132 lb. Sec-
tional crown upsetting state fi-
nalist Dan McKinney of
Haworth. Other Regional
Qualifiers were Soph. Jeff
Fouch (21-2), Junior Tony
Long (19-7-1), and Senior Bob

This team should be some-
thing to watch next year as
they lose only one full time
wrestler (Shaw) to graduation.

Custer Wins "Coach of Year"

AT THE CLOSE OF THE 82-83 BASKETBALL SEASON, the Titan basketball team posted an impressive 12-9 record, winning both the Howard County and Mid-Indiana Conference Championships. They became the only Kokomo Sectional and Mid-Indiana Conference team to post three consecutive winning seasons.

This year's success was made more remarkable by the fact that the Titans had only one starter (Dwayne Dunlap) back from 81-82 Mic Championship team that had the best record in the school's history.

Five seniors led the way to the fine season. Dunlap led the team in scoring, steals, and assists. Tony Oliver led the team in rebounds, blocked shots, and field goal percentage. Classmates Bob Ritchie, P.T. Chaffee, and Phil Williamson were vital to the team effort.

Juniors Mike Blankenburger and Flint Farmer joined Dunlap and Oliver in averaging double figures in scoring. Farmer was also the team's best free throw shooter.

Juniors Larry Wiechmann and Brad Tucker added to the Titan effort and sophomore Monty Sanders moved up from the J.V. to contribute to the Titans run to the MIC title.

Individually Mike Blankenberger, Flint Farmer, and Tony Oliver were first team All County selections. Dwayne Dunlap and Tony Oliver were named Tribune All-Area team, Howard County Sertoma All-Stars, and First Team All-Conference, and Coach Custer was named Howard County Coach of the year.

Most Wins in Ten Years!

THE J.V. BASKETBALL TEAM had the most wins they've had in ten years.

Beating Haworth was an achievement that set the season rolling with victories. Although Western beat them in the Howard County tourney, they came back and got revenge on the Tigers by beating them later in the season. They also lost a close match against undefeated Frankton. The team had a strong finish beating Tipton and Peru back to back at the end of the season.

Coach Phares commented, "It was a great season, especially because it was the first winning season of the kids' careers."

THE FRESHMAN A TEAM RECORDED their first-ever win in tournament play as the runner-up in Howard County Tournament. After losing the first five games of the season, a discouraging start for any team, they went to a match-up zone and a more deliberate style to become much more competitive during the second half of season. An important highlight of the season was defeating Western for the first time.

The B team won the last three games of the season, were undefeated in county action, and developed into a fine defensive team, showing tremendous improvement during the season. They were coached by Jerry Harshman.

To Fine Season

"Depth Made The Difference"

Coach Harshman

THE TAYLOR VARSITY TRACK TEAM had its best season since 1977 with a record of 3-5-2. With nine returning lettermen covering nine track and five field events, Coach Harshman began the season by taking his team to indoor meets at Purdue and I.U.

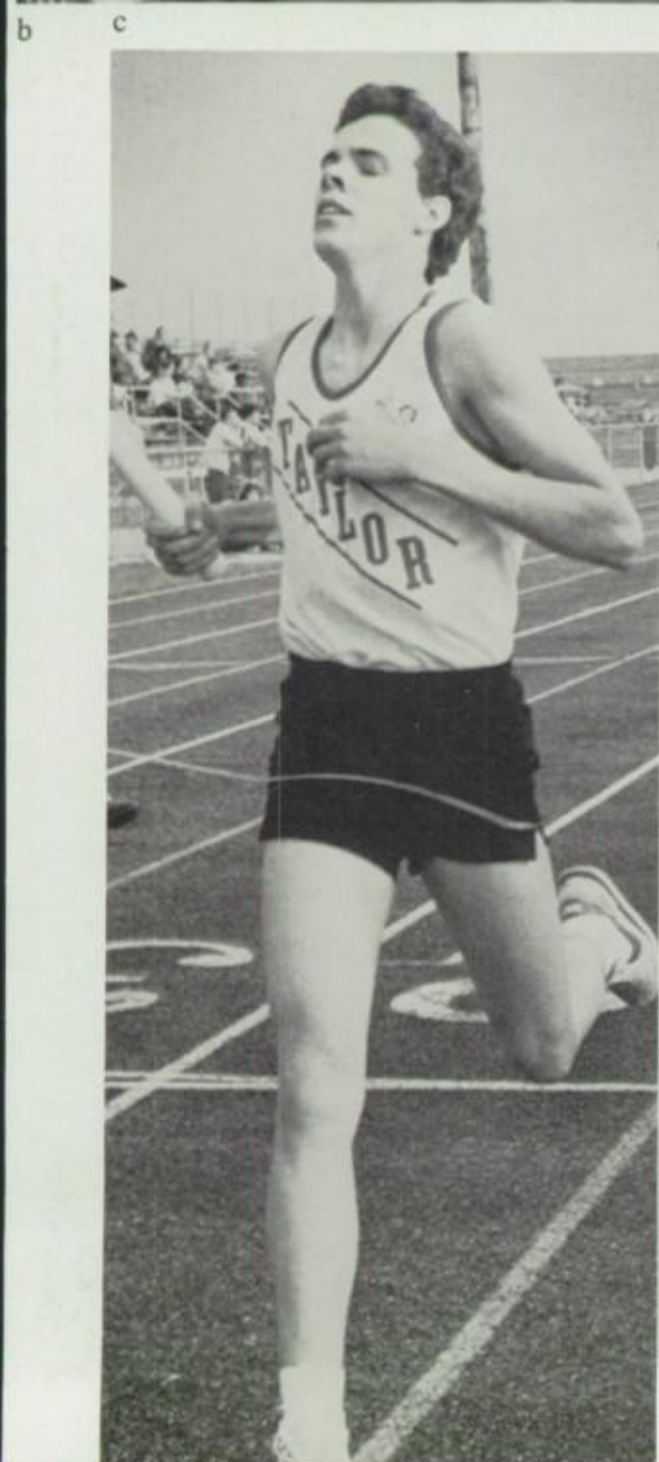

This fine group of talented athletes went on to set many Taylor track records and represent Taylor competitively throughout the season. The reserves, coached by Mr. Grossman, had an impressive 5-1 season.

Senior Bob Ritchie, Mental Attitude award winner, led the team in scoring for the second year in a row. He qualified for three events in the sectional (high jump, high hurdles, long jump) setting a new record in the high jump.

According to Coach Harshman, "Bob accepted many new roles in order to try to help the team and was a real leader in bringing along younger athletes."

Mike Harmon was awarded the Most Improved as a sectional qualifier in two events (1600 and 3200) and a regional qualifier in the 3200. He won the 3200 in the Kokomo Relays and Elwood Relays becoming the team's third leading scorer in '83.

Thanks to TRIBUNE photographers Susan Goff and Greg Pawluk for pictures.

Class Pride Leads To Winning Season

THE FRESHMAN FOOTBALL TEAM recorded a fine 7-2 win-loss record during the 1982 gridiron season.

This was attributed by Coaches Hamacher and Samuels to the fine show of class pride by the class of 1986. The strong showing of thirty-four members who participated in the freshman program along with hard work, dedication, and the desire to be successful all led to the accomplishment of pre-season goals.

Highlights of the season included five shutouts and a 6-2 defensive average by the team defense, defeating Oak Hill 14-12, and topping off the season with a double overtime, come-from-behind victory over Northwestern.

Titans Spike It To 'Em

THE VARSITY VOLLEYBALL TEAM ended its season with a 7-6 record and the Howard County Championship title. The 1982 squad's enthusiasm made Margie Lea's first year as volleyball coach a memorable one.

Sophomore Lisa Barrett, a setter and an outstanding offensive and defensive player, was elected to the 1st team MIC, and second All Area. Senior Janet Jameson, a spiker and excellent all around player, was chosen for the second team MIC and honorable mention All Area, while Suzanne Cummings and Lori Ingels were given honorable mentions for the MIC and All Area teams.

All eleven girls added character and excitement to the game of volleyball. This was evident by the large number of fans who supported the girls during the entire season. According to Coach Lea, "The interest in girls' sports is growing more each year, thanks to dedicated participants, parents, and fans."

According to Coach Holson, "Inexperience hurt the jayvee team." With one sophomore and eight freshmen the team had a lot to learn about a more competitive game, a great contrast from the junior high level. They accomplished some of the goals they had set. Learning how to set up a hard spiking and blocking game was their major goal, as well as improving on fundamental skills. The team finished at 2-8 overall, and they finished 1-4 in the MIC. Mrs. Hoyson is looking forward to coaching this team with more experience.

THE 1982 GIRLS' GOLF TEAM was the first team ever to advance to the regional at Newcastle. They placed second in the sectional to always tough Logansport team, but finished in front of twelve other teams including Kokomo, Haworth, and Northwestern. The team, consisting of three juniors, one sophomore, and one freshman, had a season record of 6-5. Coach Johnson emphasized that their progress was continuous throughout the season, and they gained much experience from the regionals.

Coach Johnson named Chris Humphrey and Beth McHale outstanding golfers. She was very pleased with all of the girls' super attitudes and commented, "I'm really looking forward to next year's season."

Titans Make History

THE LADY TITANS were the first girls' team in Howard County to win a regional and advance to the Semi-State. Two sophomores, Angie Anderson and Lisa Barrett, provided the fire power, averaging 13.3 and 12.7 points per game. They were also voted the two top players in the county. Providing great leadership were Janet Jameson and Kelly Majors, the only seniors on the team. Lisa Paine did a super job of being the floor general, changing defenses and running the offense. She set school and career records for assists.

Taylor captured four of the top seven positions in the county with Paine and Jameson being selected All-County along with Anderson and Barrett. Majors received Honorable Mention for both All-County and MIC. The Titans also accomplished 23 of their 25 goals. With three returning starters, Coach Tunmer and the Lady Titans are hoping to maintain their position among the state's elite.

The girls' jayvee team finished with a 10-4 overall record. The team fell only to Lewis Cass in the MIC conference. The Lady Titans defeated Eastbrook for the first time this season. Tashia Johnson led the team in scoring and Anita Newberg led the team in rebounds. Natalie Goodnight was the most improved player for the season giving 110% hustle and effort in practice and games.

Karen Dunham Goes To State

THE GYMNASTICS TEAM had a winning record of 6-4. Coach Lea said the team had three outstanding gymnasts: Shelly Welke, Karen Dunham, and Tommi Boes.

Shelly was chosen MVP because of her gymnastic ability and positive attitude toward others.

Karen placed third in the sectionals and in the regionals. This qualified her for state at Perry Meridian where she placed twelfth.

Tommi led the team in wins at the intermediate level. She ranked high in sectionals in the all-around competition and is expected to compete at the optional level next year.

Coach Lea is very pleased with the outcome of the season. She is looking forward to a good year ahead.

For the second year in a row, the cheerleaders brought home the dynamite spirit stick. To receive the spirit stick the cheerleaders also received a blue ribbon for the best dance routine. The Junior Varsity received first place over the Junior Varsity division. The Freshman received second place in their division. Before attending camp, the cheerleaders had long practices as much as three or four times a week. The Rally Squad went to ASCC. They received a red, white, and a blue ribbon for their spirit and cheerleading ability. The Girl's Basketball Cheerleaders went to Vincennes and received three blue ribbons along with one red.

During the regular seasons, the girls always worked hard during the week practicing for the games and the meets. They decorated the halls and the team's lockers along with planning pep sessions. The cheerleaders are sponsored by Mrs. Hampton and Mrs. Henry.

Jameson Heaves To State

WELL, THE 1983 GIRLS' TRACK TEAM certainly had what it took to be winners as they strode to a 13-3 season. They repeated last year's performance as Howard County Champs and had a good chance of winning the MIC but unfortunately came in second behind Eastbrook. The 800-meter relay quartet of Lisa Barrett, Candy Miller, Denise Bolinger, and Judy Ingels bettered their 1982 County Record with a 1:53.4 clocking. Also, the 1600-meter relay team consisting of Lisa Barrett, Brenda McCoy, Angie Anderson, and Anita Newberg were clocked at 4:24.2 for a school record.

Coach Shanks had nine girls qualify for Sectional, enough girls to tie for sixth place with Tipton. Two school records were broken at the Sectional. Janet Jameson broke her own record in the discus with a 107'8" throw. Michelle Tra-gesser also broke her record bettering her time several seconds with a 5:38.00 clocking. Jameson, in the discus and shot put, and Ingels, in the high jump, both placed in the top four enabling them to advance to the Regional in Carmel. At the Regional, Ingels broke the school record by jumping 5'2", while Jameson threw well to place third. The third place finish enabled her to advance to the state competition. She was also chosen as the MVP.

Lisa Barrett shows the intensity of the start of a race.

Good Luck Kristen (Sisk)!

Kim Murray Tennis M.V.P.

LAST YEAR'S TENNIS TEAM had a less than impressive record of 3-1 but did gain a lot of experience. Coach Sellars commented that the team had a lot of determination.

M.V.P., Kim Murray, recorded a win record of 8-5 at the no. 3 singles position. The mental attitude award was presented to the no. 1 singles spot player, Kristy Hinders. She had a rough start but played very well as the season ended.

Chris Humphrey was given the Most Improved Award. Chris played no. 1 doubles. Coach Sellars said she played very aggressive tennis and continued to improve throughout the season.

SEASON AFTER SEASON

Titan Volleyball Breaks Even

LEARNING THE CORRECT fundamentals was the most important goal of the seventh grade volleyball team. Other major goals were to work together and to apply all their skills in the games. The season ended with a total five wins and five losses. The Hamilton Heights game was the highlight of the season. The team won the first game 15-12, but lost the second game 16-18. Taylor was behind in the third game, 2-10, but came back to win 16-14. Taylor, having lost to Northwestern early in the season, defeated this county rival three weeks later. The playing ability of Erin Jarrett and Stacey Disney was praised by Coach Molly Kinney. "Both had excellent defensive skills and played well with the other players."

The eighth grade team also finished the season with a 5-5 record. They reached the season goals of a more controlled defense of two or three hits and a much improved offensive game. Coach Melissa Shanks complimented the spiking ability of Stacy Helsley and Melody Hood and the serving ability of Leigh Tilley, Valerie Landrem, and Stacy Helsley. The eighth grade also came back to defeat rival Northwestern after being defeated in the earlier part of the season.

Cross Country Team Runs Away With County Title

THE JR. HIGH CROSS COUNTRY TEAM had a great season this year with a record of seven wins and three losses. The highlight of the season was the smashing victory in the Howard County meet in which Taylor finished five runners in the top nine. The team had made winning this meet their top goal of the season. They also finished second in the Eastern Inv., second in the Eastern Inv., second in the Cass Inv., second in the Western Inv., and fourth in the Noblesville Inv.

Each individual also achieved a personal goal of lowering his time for 3,000 meters from the beginning to the end of the season.

Co-most valuable runners were John Rose and Darin Corne. "Both runners should prove to be a great asset to the high school team next year," says Coach Jerry Keck. Joe Upcapher, Kirk Amos, and Randy Johnson made up the rest of the five man group that helped to key this year's success.

Jr. High Tackles Tough Season

THE SEVENTH GRADE FOOTBALL TEAM ended their season with a record of one win, two losses and two ties. The most exciting games of the season were against Northwestern; the first game was a tie. Two weeks later the Titans came back and defeated the Tigers 12-0. Coach Tolman praised the 26 players who finished the season for their hard work and dedication.

The eight grade team finished the season with four wins and two losses. Coach Spitler said, "This team had the best offensive line for a jr. high football team. They knew their assignments and were fundamentally sound." The best game of the year was against Eastern; they only had two penalties, and won 20-0.

According to coaches Mike Sumpter, Kevin Swain, Phil Spitler, and Terry Tolman, working with the Titans was rewarding, "We would like to wish them well in the future as members of the Taylor football program."

Jr. High B'Ball Shows Improvement

THE SEVENTH GRADE BASKETBALL TEAM finished the season with four wins and eleven losses. Although they didn't have a winning record, the team worked very hard during the season to develop their fundamental skills, the primary goal of the team. Coach Keck said, "One of the main problems the team faced all year was an overall lack of height."

The eighth grade team ended the season with five wins and eleven losses. Coach Spitler commented, "The most improved fundamental was in blocking out for rebounds. There were a number of games in which we out-rebounded taller opponents."

Both coaches seemed to expect good things to come from these athletes as they continue to work and mature.

JR. HIGH GIRLS HAVE ROUGH SEASON

THE SEVENTH GRADE ENDED THEIR SEASON with a record of 1-8. In their win against Maconaquah, the team held the braves to only eight points. The most outstanding performance by an individual was Cindy Sink who had a personal high of 12 points and 10 rebounds. Coach Joette Webber singled out Stacey Enochs as most improved player of the season. "All of these girls have the basic fundamentals to become good ball players in the future," added Coach Webber.

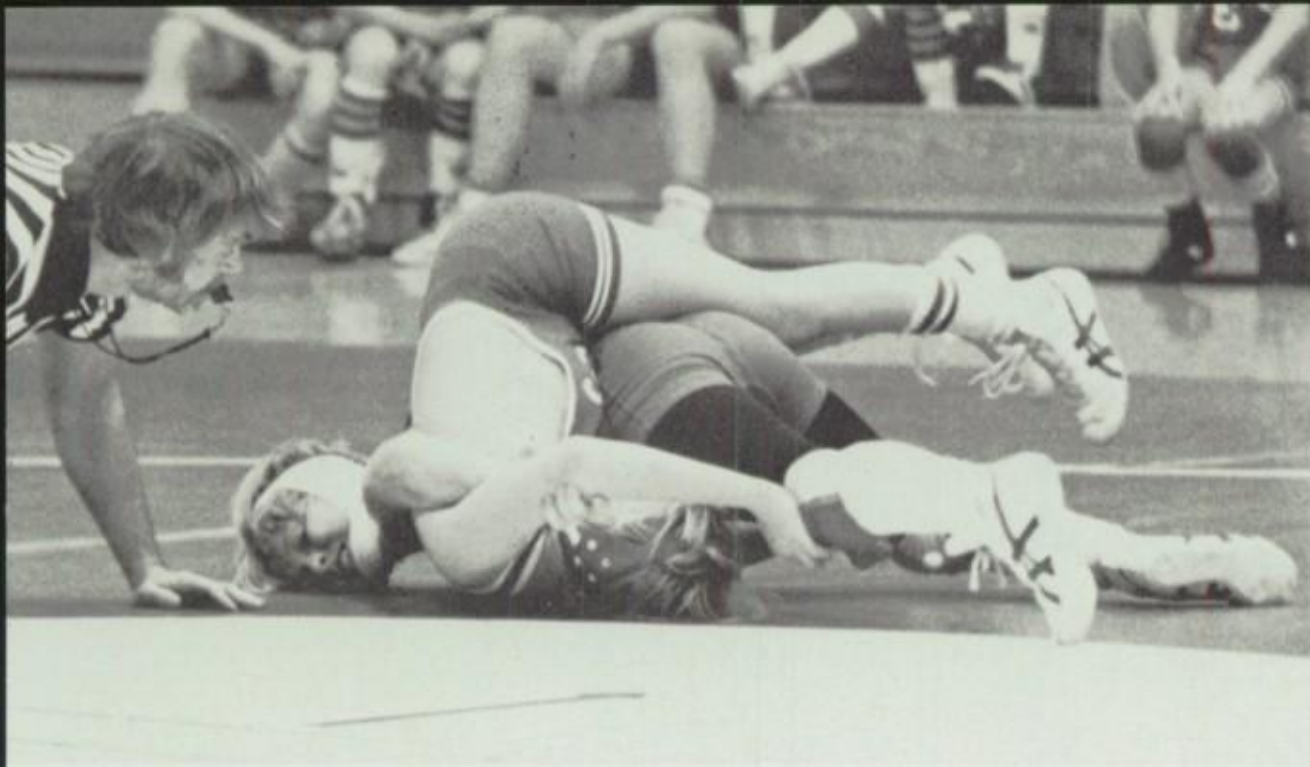

The eighth grade team, coached by Susan Tebbe, had a season record of 5-5. Kelly Goodnight was leading scorer for the Titans, and Patty Hillman averaged most rebounds. Both teams worked on fundamental skills and improved greatly not only on their own skills but also in playing together as a team.

Boys' Jr. High Track Race to County Title

THE SEVENTH GRADE BOYS' TRACK TEAM had the best season ever with a record of 6-0. The Titans defeated three out of six schools by a margin of 30 pts. or more. The team also swept honors in the Howard Co. Scott Fecher and Chris Keith led the sprinters with outstanding finishes in the 100 m. dash, 200 m. dash, and the 400 m. relay. The anchors of the distance team were Chad Welke, who ran the low hurdles and the 800 m. run, and Joe Uncapher, who competed in the mile run and the 800 m. run. Chris Keith and Glenn Lambert excelled in the shot put and discus, while Scott Fecher and Chad Welke were competitors for high jump and long jump.

The eighth grade boys' track team had a more impressive season than is indicated by their 3-3 record. Two new jr. high records were set by Darin Corne and John Rose. Darin Corne ran a 2:15.5 in the 800 m. run, and John Rose set the new record in the 1600 m. run at 5:07. In the field events Eric Coppock showed his skillfulness in the discus. Andy Kindley and John Rose were the outstanding high jumpers on the team, and John Lasater led the team in the long jump. Andy Kindley also had high honors in the pole vault. Eric Coppock and John Lasater were the leading 400 m. runners. The jr. high track teams were instructed by Coach Atkins and Coach Tolman.

Jr. High Golf Has Bright Future

THIS YEAR'S GOLF TEAM compiled a record of seven wins and four losses which included a second place finish in the Taylor Invitational.

Two players highlighted the season by breaking scoring records. Brian Tate established two new records. Brian bettered the old nine hole record of 43 set by Dave Cassis by firing a remarkable 41. Brian also finished the season averaging 46.8 strokes per round, which topped Tim Laflin's old mark of 48.2. Mike Humphrey, only a seventh grader, bettered the average record but was just behind Brian at 47.8.

ACADEMICS

ACADEMICS PLUS EARN A SPECIAL place in the yearbook by showcasing both interesting or unusual happenings in the classroom and organizations. When used together, academics and organizations help students become the best they can be. While academics allows students an opportunity to excel in learning, organizations work in conjunction with academics and give an extra chance to those students who are willing to go the extra mile. Organizations allow students to use knowledge to go beyond academic learning. Organizations also help students gain an edge over those who put in their time and go home. This is the reason for the new section and title — Academics Plus.

Physical Education Department Expands to Meet Increased Needs

Health is a favorite class among freshmen and sophomores.

STUDENTS ARE REQUIRED TO TAKE ONE SEMESTER OF GYM through the sophomore year. On a typical day, they changed into gym suits, lined up for attendance and calisthenics, and went to their assigned activities. Among some of the classes were gymnastics, basketball, volleyball, and weight training.

Some changes were made concerning the Driver Education program this past year. It was added to the P.E. and Health department and was taught during school hours instead of the summer. The students had class for two days, and study hall for three days, unless they were driving.

Health class taught the students Cardio-Pulmonary Resuscitation as well as general health information. If the students passed the test, they got CPR cards which allowed them to give first aid to cardiac arrest victims or other emergency patients.

Phys. ed. teacher, Mr. Custer, keeps busy in the gym.

Mike Lawless grins at the thought of driving.

Tom Tolan studies before driving.

Bravely, Mr. Ward enters the driver's ed. car.

In Language Arts Only the Best Will Do

SIX SEMESTERS OF LITERATURE and English were required for graduation from Taylor High School. Students beyond the sophomore year were encouraged to select courses from the English area that suited their individual and future needs in reading and writing skills or improved the quality of their use of language.

The English department this year introduced a program for freshmen intended to aid them in the technical skills and knowledge that will increase the success of each individual in high school. It was based on the idea that students needed to know how high school materials, teachers, responsibilities, and grades were necessarily different from their previous elementary, jr. high experiences. Entitled THINKING AND READING IN HIGH SCHOOL, all freshmen in English classes were given an opportunity to take an in-depth look at where they were in education and practice skills that will promote improvement as they progress.

Cultural experiences are a big part of foreign language classes. In these experiences students prepared various foods related to their country. There were four years offered in Spanish or French. Most students enjoyed their time spent in these classes and learned about the cultures of the countries as well as the languages.

Sex Makes No

Home Ec, long thought to be a province of the female school population, has proved popular in recent years with many of our guys. Whether this is due to a renewed interest in domestic self-reliance on their part or a wide variety of course offerings of interest to all is not really clear, but a Bachelor Living class, Foods 1, and Marriage and Family Living class drew many male students. (117)

Dr. Doss visited the Marriage and Family Living classes and discussed venereal diseases and herpes. Mrs. O. Fisher, school nurse, answered questions from students in Home Nursing/Child Development.

Likewise, Industrial Arts is a department which has course offerings that mainly attract guys; however, girls can and do participate in such classes as electronics, graphic arts, photography, and drafting. In this department, students can learn practical living skills such as auto mechanics as well as skills that can be developed into a vocation in the advanced classes. Department chairman, Jim Myers, said that instructors are ever aware of increasing demands for more technical knowledge and intend that all students can benefit from taking courses in Industrial Arts.

a. Chris Clark, Joe Hedrick, Dave Cassis, and Jim Humphrey instruct Jeff Hoffman on the manly art of sewing on a button.

SOCIAL STUDIES INVOLVES EVERYONE

A LOT HAPPENED in the Social Science department this past year. All of the Seniors took a trip to the State House for their government, economics, and Twentieth Century classes. Senator Butcher and Representative Regnier spoke to the students.

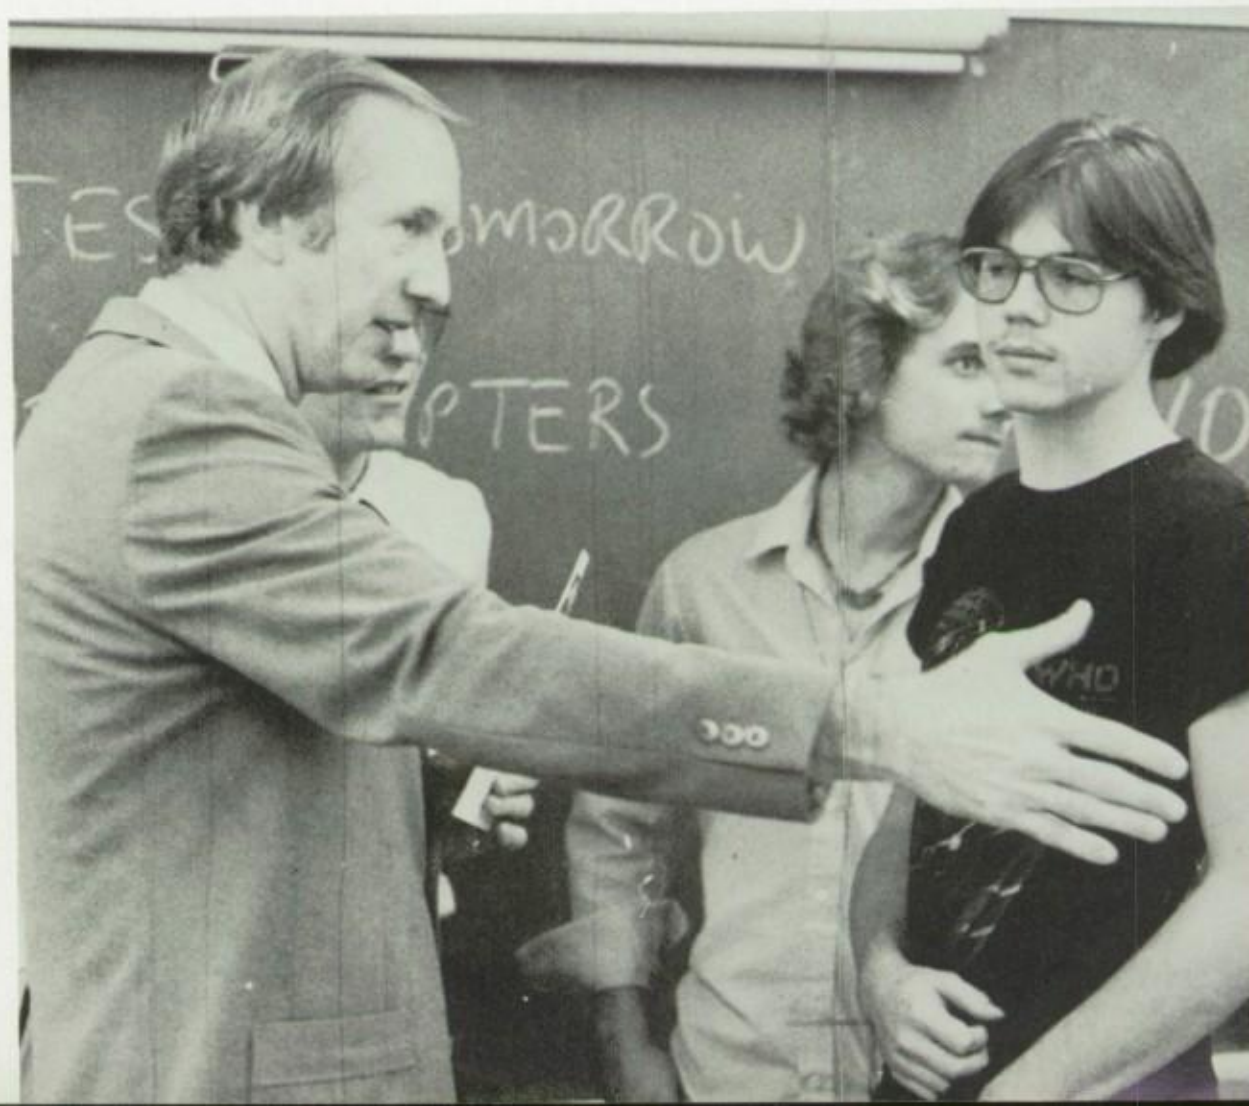

The I Can class was new to Taylor High School. It was a class with the major emphasis that a person must build his life and career on the foundation stones of honesty, integrity, character, love, faith, and loyalty. The students taking this class had psychology for the first nine weeks of the semester and I Can for the second nine weeks of the semester. The students really seemed to enjoy this 'super great' class taught by Mrs. Henderson. A student was selected each week to be the Student of the Week. The student received two discount tickets to the Kokomo Cinema, free pizza from Pizza Hut, five dollars in cash from Mr. Dick Henderson, State Farm Agent, and free gasoline.

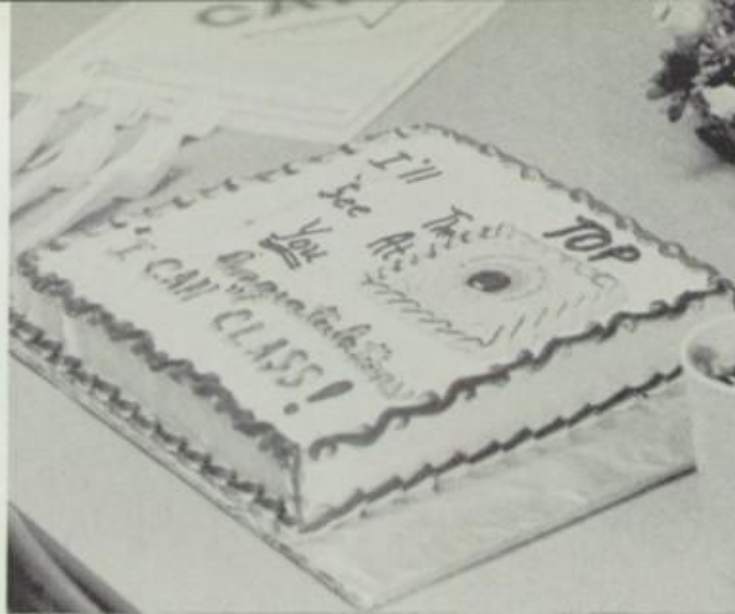

Awards were also given first semester to a "super great" Teacher of the Week. Winners were Mrs. Karavitis, Mr. Jones, Mrs. Pugh, Mr. Lamber-son, Mrs. Moore, and Mrs. Deason.

a. The I Can class 'cuts up'.

b. Senator Butcher converses with three political enthusiasts: Chuck Tragessar, Randy Despain, and Doug Miller.

and Art Department

Glenn Lambert and Tim Barnes use slot looms in jr. high art.

Mr. Harris explains to several students his ability in art.

Each year the art department holds an annual Art Show, displaying the best work of seventh through twelfth grade students. All art entries have earned an "A" before getting to enter, and winning artwork is advanced to the Howard County Fine Arts Festival, held at the Kokomo Library.

In the absence of Mrs. Kempf, Mrs. Sheridan taught art classes this year. Art is required in jr. high and department head, Mr. Harris said, "45-50 high school students elect art classes."

As the old cliché says "Someone's loss is someone else's gain" is said to be true here at Taylor. The jr. high English department lost a great teacher while the library gained a new librarian, of course, this person is Mrs. MacKay who replaced the familiar face of Mr. Lassiter. There are many library assistants who help Mrs. MacKay and Mrs. Tucker keep the library in tip-top shape. These students also work with Mrs. Chaffee in showing films throughout the school year.

Donna Johnson paints her sta-bile in high school art.

BUSINESS AND MATH GOING COMPUTER

COMPUTER SCIENCE WAS a new subject offered at THS. In the one semester class taught by Mrs. Henry, students learned how to program a microcomputer using the BASIC language. The current interest in computers and electronics made this a popular course. The prerequisite for this class was geometry.

Every student enrolled at THS must complete one semester of typing before he can graduate. Taylors's business department offers various types of classes, fifteen in all. They range from typing to business math. A word processor was ordered by the business department for next year.

Thespians on Stage

LAUGHS AND SMILES, TEARS AND SIGHS, plus time, effort, talent, and a lot of dedication are all parts of being an actor.

The Thespians presented two major productions this year. In the fall they presented "Up The Down Staircase"; in the spring they presented "If A Man Answers".

A group of jr. high students presented the annual Christmas play entitled "Just As They Wanted It". Cathy Trimble and Chris Norris directed the production.

On opening night of the season the group experienced one of the largest crowds in the history of the Thespians.

The annual induction into the International Thespians was conducted at the banquet at the end of the year. Inducted were Audie Hopkins, Dana Corbit, Barth Boruff, Joe Freeman, Mellisa Jewel, James Criss, Joe Wittig, Keith Wilkins, Cathy Trimble, Chris Norris, and Teresa Stahl.

THE THESPIANS WERE under the direction of Mr. Ray Wilson and Miss Sue Buell.

The club officers were Steve Edmonds, president; Joe Wittig, vice-president; Keith Wilkins, second vice-president; Joyce Bigna, secretary; and Joe Freeman, treasurer.

French Club Plans Quebec Trip in '83

Marsha Damewood serves French food at a pastry party.

THE FRENCH CLUB planned a trip to Quebec in the summer of 1983. This year the club ate their way through a French pastry party and an evening at Chez Jean, a French restaurant.

The club also saw Mrs. Henderson's slides of Quebec from her summer trip. Tracey Moyers spent her 1982 Christmas break in Haiti and returned with exciting slides. During Christmas, the club had its annual party; they went caroling in French and had a French dinner. In the spring they sold candy for their trip. The French club is made up of students who have had one year of French or are currently taking it. Its monthly meetings allow students to learn more about the language and culture of French speaking people in an informal atmosphere.

The club officers included president, Marsha Damewood; vice president, Bill Parrott; secretary, Cindy Baker; treasurer, Allison Forbes.

Row 4: Jeff Dice, Bill Hulka, Robert Hulka, Mike Lee, Joe Freeman, Rodger Fain, April Smith, Tammy Thrasher, Tonya Broerman, Teresa Merritt, Mindy Lane, Tim Laflin.

"IF ALL GOES according to plan, we'll go to Spain in 1984," Mrs. Inman, Spanish club sponsor reported.

A large initiation kicked off a great year for both the old and new Spanish club members. Plays were interpreted and presented. The Christmas party was an unforgettable fiesta. Valentine's Day was celebrated early by the Spanish club members (a Valentine card contest brought out the talents of many members).

The trip to Spain will be partly financed by profits made on candy sales. A scavenger hunt was held in April. Following the hunt, a trip to PePe's pleased the whole club as did the trip to Chi Chi's in Indianapolis in the fall. The Spanish club officers were Teresa Solkolowski, president; Lori Wagner, vice president; Kristen Sisk, secretary; Patricia Wells, treasurer.

Women Men at Work

The Home-Ec club sponsored by Mrs. Nulf was very busy during this school year. Their talents and willingness to serve the needs of the school were apparent when they did all the serving at the N.H.S. banquet and at the Choir and Band Festival. A lot of the members made it a point to get to school a little earlier than usual to sell donuts in the cafeteria.

The club took a trip to Richmond for a weekend. On that occasion it was said that Mrs. Nulf was never so eager to get home in her whole life. The club also served refreshments during the Blood Drive.

Taylor Hosts County Music Festival

THE HIGH SCHOOL BAND AND CHOIR had an exceptionally busy year. The band placed third at the Indiana State School Music Association Contest while the choir, directed by Mr. Rose, placed first! The Music Department hosted the 26th Annual Howard County Music Festival in which all four county schools participated. Over 530 students performed band and choral selections at the festival held in the Taylor gym.

The band, under the direction of Mr. Sands, new band teacher, added much enthusiasm and fine music by marching at the football games and performing at pep sessions and concerts.

Other Clubs Include . . .

. . . Chess Club

THE CHESS CLUB MET every other Tuesday of the month. At these meetings they played the game of chess for enjoyment and improvement. The purpose of the club was to promote the popularity of chess and to enable interested students to play the game.

In past years the club has participated in tournaments, matches, and other forms of chess competitions, but the low number of members limited the club this year.

Members included Charles Rose, Sponsor; Joe Freeman, President; Matt Walden, V. President; Joyce Bigna, Frank Bellinger, Todd Robinson, Brad Lindberg, and Tim Cantrell. The club is hoping for more members next year. Students in both jr. and sr. high are welcome.

. . . Christian Fellowship

THE CHRISTIAN FELLOWSHIP CLUB is an informal club organized for the purpose of encouraging and uplifting those who share a common belief in Jesus Christ. The weekly meetings were devoted to such activities as Bible study, prayer, discussion on problem areas for Christian teenagers, Christian music, games, and debates.

A fall picnic at Highland Park and

the annual Christmas party and caroling were enjoyed this year as well as a pizza and music party in the spring at Mrs. Boardman's house.

Sponsors were Mr. Taylor, Mrs. Boardman, and Mrs. Wigman. Members were Carol Bater, Steve Miller, David Miller, Kevin Perry, Mike Cannon, Mike Roe, and Kieth Wilkins.

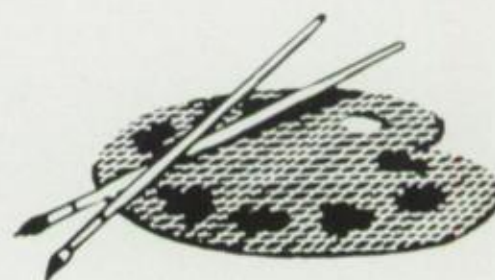

. . . Art Club

THE ART CLUB WAS VERY ACTIVE once again this year, as they hosted the Annual Art Show. Many works of art by the students were on display for the enjoyment of parents, students, and others who were interested in art.

During the Christmas season, the

club, sponsored by Mr. Herman, drew and painted the large festive murals that greeted everyone in the front lobby of the school.

The Art Club consisted of those students who were artistically inclined and had a genuine interest in art.

"WHERE'S LAFLIN?", usually marks the first official words of Mrs. Pugh, 6th hour, room 131. The busy editor, Tim Laflin, is usually working in the darkroom or busy directing traffic. By 1:35 everyone is still usually running around looking for their folders, papers, layouts, whatever they need to begin the hour's work.

Selling ads, making photo assignments, examining negatives, complaining to and about busy photographers, checking schedules for athletic events, and cropping pictures are all the legitimate activities expected from staff members. By 1:45 most people have decided what they're going to accomplish for the hour, and

usually get to work on it with accompanying chatter and the click of typewriters. The hour a day for yearbook is no more than enough for the amount to be learned and accomplished in order to end up with a yearbook that wishes to encapsulate Taylor's year.

Row 2: Bill Parrott, Allison Forbes, Laura Smith, Erin Snyder, Kristen Sisk, Stasha Mason, Christina Coles. Row 3: Mr. Richardson, Jenny Gotshall, Teresa Richey, Angie Buckner, Kim Murray.

In a beautiful candlelight ceremony, 6 seniors and 25 juniors were initiated into the Taylor Mary E. Wooldridge Chapter of the National Honor Society. These students were chosen on the basis of their outstanding leadership, scholarship, character, and service qualities.

To become a member a student must hold an eight point GPA (B) through the entire four years of high school and must be active in school activities. A few weeks after the initiation, the old and new members alike were treated to dinner at Peru's Siding, showing hard work pays off in more ways than one.

Mr. Richardson was the sponsor, and the officers included, Scott Goudy, president; Tim Sugar, vice-president; Jenny Gotshall, secretary; Allison Forbes, treasurer.

Council Liven's Lunch

THE STUDENT COUNCIL THIS YEAR was involved in many activities. These included the annual Spring Follies, a blood drive, Homecoming, and Student Exchange Day. During Homecoming spirits were high. The Student Council capped off the week with a dance that featured a Q-95 disc-jockey. The club also originated two new ways to celebrate, fireworks and Corvettes that took the Queen Candidates around the track. Students were also made aware of Student Council's decision making in an everyday way when they were able to bring an ancient jukebox out of storage and repair it to its current musical state to liven up lunch hours.

Mr. Edmonds

Looks for More Time in the Math Department

The yearbook staff this year dedicates its 1982-83 edition to Mr. Donald Edmonds, long time principal at Taylor High School. After eighteen years in the Taylor Community Schools, with eight of these in the demanding role of high school principal, Mr. Edmonds resigned and requested to return to his previous post as a mathematics teacher.

While admitting to mixed feelings about the change in position, Mr. Edmonds cited his need for more time with his family and the increasing demands his two sons, ages six and eleven, make on his time. His wife Marilyn is a teacher at Indian Heights Elementary School.

His eighteen years at Taylor have been eventful. His first year was spent as a junior high math teacher when there was no high school in the system. Each year, as a grade was added

until the four years of high school were completed, Mr. Edmonds moved up teaching them. After the first class, the class of 1969, graduated, Mr. Edmonds became the high school principal.

Mr. Edmonds has been a familiar figure around the school. His job has been more complex and demanding than many people realize. He has been the person who has had to delegate responsibilities to all high school personnel. Nearly everything done in the high school has had to have his approval. His job has required long hours and much attention. In all that he has attempted to do, he has had an outstanding record. Although he will be missed in the role of principal, it is good to have him remain as a math teacher. In all he seeks to do, the Helio staff wishes him success and happiness.

Juniors looking

The junior class stepped up this year to its increasing responsibilities. Magazines had to be sold in the fall to finance the expenses for the prom and eventually graduation for the class of 1984. Their finances were also aided by selling concessions at the home basketball games. A little notoriety was added to the junior class when junior Brett Goudy was crowned powderpuff king, usually a senior honor. The junior class officers were as follows: president, Todd Kennedy; vice-president, Marsha Damewood; secretary, Teresa Stahl; and treasurer, Karen Ott. The junior-senior prom was hosted by the juniors on April 23, 1983, in the Officers' Club at Grissom Air Force Base. Sponsors for the class were Mrs. Moore, Mrs. Boardman, Mr. Freeman, and Ms. Belinger.

Soph's Movin' Up!

THE SOPHOMORE SITUATION remains much the same every year — get class rings, make money running the coat check at ballgames, and generally stay out of trouble. This year's class is undefeated in powder-puff football having defeated the frosh this year under Coach Harshman 22-0 as well as their victory last year over the class of '84. The officers for the class of '85 are as follows: president, Marnie Thomison, vice-president, Rhonda Allen, secretary, Julie Byers, treasurer, Carolyn Forbes. Sponsors for the class were Mrs. Henry, Mr. Conners, and Mr. Grossman.

It's easy to be a freshman and be humble. Adjusting to the new school work is problem enough for a freshman, but they also have to get used to being compared to the more mature behavior and abilities (yea, right?) of the upper classmen. This year's freshman handled it as well as any. They did their usual ring ordering and hall decorating, etc. Most agreed that being able to choose some of their own courses made them feel older and like a real high school student. The class officers were as follows; Terry Martin, president; Missy Thomison, vice-president; Deena Bauer, treasurer; and Anita Newberg, secretary.
